

Employers', Public and Products liability insurance

We provide employers', public and products liability insurance on a primary and excess layer basis for a wide range of business sectors. We have a broad appetite for risk with specialist knowledge in leisure, wholesale and retail service industries, providing liability insurance to both the London and regional UK markets.

Covering your needs

- Limited number of key partner brokers
- Exclusive quotations for our partner brokers
- We can provide coverage as a mono line or as part of an insurance package
- In-house specialist liability risk engineer, providing free health and safety advice
- Flexible underwriting on a conventional and non-conventional basis

The key benefits of this product include:

- £15m capacity on Employers', Public and Products liability on a primary or excess layer basis
- London market and regional focus
- Classes: Employers' liability and Public/Products liability (but not Employers' liability in isolation)
- UK based business (pan-European cover including FOS)
- US exports
- A new integrated Criminal Prosecution Defence Costs clause that includes corporate manslaughter cover as standard
- Bartoline pollution extension as standard
- Public liability terrorism limited £5m
- Flexibility on the use of appointed loss adjusters
